Filed: 05/29/2001  
For: A Method For Monitoring Radiology Machines, Operators and Examinations

Dear Mr. Merrell Cashion,

Applicant thanks you for calling me with your kind instructions as to how I should prepare papers for correcting the Brief. Mr. Strawder and I have checked and double checked the enclosed Claim Appendix.

Please be advised if there is anything in the enclosed Claim Appendix which you want changed, please let me know and I will promptly reply with a revised Claim Appendix.

I have not sent you replacement pages for the Brief which delete reference to Claim 93 since I believe you said that was not necessary. If I misunderstood, I can forward such pages promptly.

Respectfully submitted,

William D. Hall
